### Certified Courses

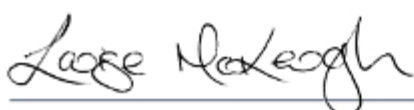

#### Diploma in French Language Studies

The course will first teach you French vocabulary for greeting people, introducing yourself, and talking about your studies or your background. You will then learn core French language skills including numbers, time, and dates, and how to talk about the weather. The course will then teach you key French grammar and vocabulary for speaking about important topics, including how to pay your bills, order food, apply for a job, and speak about your profession.
